

Dear Patient,

We are pleased to announce that Clearview Eye Surgery is now a part of Sight Medical Doctors, PLLC (“SightMD”), a group of uniquely qualified ophthalmologists who share our passion for quality patient care and leading-edge technology.

There will be no interruption in service to you and your family as we will continue seeing patients in our New York, Bronx and Flushing offices. Through SightMD, you will have seamless care at over 40 offices across Long Island, Westchester and the New York Metro Area. In addition to the list of services we already offer, you will now have access to services including Audiology, Pediatric Ophthalmology, Surgical Retina, Oculoplastic and Neuro-Ophthalmology care. We would be happy to discuss these expanded offerings with you.

To ensure your care continues with ease, your medical records will transfer to SightMD and SightMD will be responsible for keeping and maintaining your records. The doctors within our practice will continue to only access the minimum necessary protected health information as they care for your eyes. If you have any questions about your medical records, would like copies or ever need to transfer them to another provider, please contact our office or SightMD at (855) 295-4144 and we will be happy to assist you.

In closing, we want you to know that even though we are joining a practice with expanded services and locations, we will remain committed to providing you and your family the personal, quality care you deserve. On behalf of the entire team, thank you for entrusting us with your eye care needs, and we look forward to seeing you in the office soon.

Sincerely,

John J Kim, MD
